

QEP Open Forum #4 (Overview of Process)

11/15/2021

- Intro and Overview of QEP Topic Selection Process by Cara Smith (see minutes from 10/1/2021)
- Questions
 - Proposals could be similar-would we ask to combined?
 - Yes, we could. To be determined.
 - Could we see a running list of proposals?
 - Yes, with permission from proposer, we could add a tab to the website with a list of preliminary proposals.
 - Clarify, is the final topic decision a recommendation to the cabinet or is the decision final?
 - No, it is final decision. Cara will meet with Cabinet next semester. We do have expert from Government and Sociology to help with process.
 - Brought up 4 thoughts on next QEP with Dr. Cox at listening session:
 - Something we are already doing
 - Something that already has campus buy in
 - Something we have had success at
 - Something that we want to move the next level
 - Her response was that we need to keep it simple and it does not have to be a brand-new, complex proposal
 - Cara agrees
 - How can this new initiative match with what we have done with Engage?
 - Can be a "QEP #2"/enhance previous QEP
 - Edit out video at approx. 3:40 and report to IT/HR/etc.
