About Georgia College

Georgia College is Georgia's designated public liberal arts university, combining the educational experience expected at esteemed private liberal arts colleges with the affordability of public higher education.

Georgia College offers a distinctive learning environment with innovative teaching, top faculty, distinguished programs and opportunities to learn beyond the classroom.

- Undergraduate students enjoy special opportunities to participate in research alongside faculty, opportunities seldom available at larger universities.
- Internships and study abroad programs give students hands-on, real-world experience.
- A focus on civic engagement is provided through volunteer and Community-based Engaged Learning opportunities.

Locations

- The main campus, located in the heart of Milledgeville, was founded in 1889.
- The Center for Graduate and Professional Learning is in the historic Thomas Jefferson building in downtown Macon.
- Graduate and Professional Education courses are available at Robins Air Force Base in Warner Robins.
- A growing number of programs are offered online or with online components, including our highly ranked Master of Nursing and WebMBA © programs.
