GENERAL INFORMATION

ABOUT THE INSTITUTION

Georgia College is Georgia's designated public liberal arts university, offering undergraduate programs of study in an inviting residential college setting to students who are motivated to make a difference in the world. Community-based learning is a common theme at the university; and the students, faculty and staff members of Georgia College collaborate with the communities of middle Georgia to provide invaluable educational experiences for our students and make enriching contributions to the local area and beyond. The university also provides graduate and professional studies, offered in-person and online, to students who are looking to advance their careers.

Beginnings

The school was founded in 1889 in Milledgeville, Georgia, as a public women's educational center. First known as Georgia Normal & Industrial College, the university also has been named Georgia State College for Women, the Woman's College of Georgia, Georgia College and, since 1996, Georgia College & State University.

Accreditation

Georgia College & State University is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master's and doctorate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, or call 404-679-4500 for questions about the accreditation of Georgia College & State University.

Colleges

Georgia College has programs of study in four colleges – the College of Arts and Sciences, the J. Whitney Bunting College of Business, the John H. Lounsbury College of Education and the College of Health Sciences.

Class Sizes

As Georgia's designated public liberal arts university, small classes that give ample opportunity for individual student attention are common. Most class sections enroll between 15 and 35 students. Seminars, tutorials and honors courses typically enroll 20 to 25 students with three faculty facilitators.

Total Economic Impact Locally

The economic impact of the university on a six-county region is calculated to be more than \$266 million, according to a study released in 2016 by the University System of Georgia.

Tuition and Fees Fiscal Year 17-18

Tuition and fees for a full-time undergraduate student who is a resident of the state of Georgia are \$4,673 per semester. Out-of-state tuition for full-time undergraduate students is \$14,030 per semester.

Vision, Values and Mission

Vision

Georgia College will be a nationally preeminent public liberal arts university.

Values

The Georgia College experience, which is rooted in the liberal arts and provides the foundation for a lifetime of learning, growth and academic excellence, is based on these shared values:

- The pursuit of knowledge and truth for the public good;
- The transformative effect of service, leadership and collaborative engaged learning experiences both in and beyond the classroom;
- Ethical principles including integrity, altruism, reason, respect and responsibility in discourse and actions;
- Diversity and inclusion in all forms.

Mission

Georgia College is the state's only designated public liberal arts university.

We fulfill this mission through a commitment to:

An Expansive Educational Experience.

We challenge our students through exemplary teaching. The Georgia College student will think clearly and critically in creatively addressing social issues.

Undergraduate study encompasses multi-disciplinary intellectual encounters with both enduring and contemporary questions, intensive study in the major, exposure to artistic endeavors, opportunities for scholarly research and capstone experiences that integrate and apply learning.

Post-baccalaureate programs bridge the gap between theory and practice with a focus on regional needs, preparing graduates for professional advancement, lifelong intellectual pursuits and informed participation in today's complex society.

Highly Intentional Engagement.

We collaborate with community partners to address mutually identified needs while advancing students' academic and civic learning, in crafting informed, global citizens ready to serve the public good. Engagement opportunities include undergraduate research, study abroad, internships, community service and leadership experiences, both in and outside the classroom.

Diversity and Inclusive Excellence.

We foster a sense of belonging within a campus community that values diversity of intellectual thought, experiences and identifications. Georgia College faculty, staff and students intentionally embrace inclusivity to advance excellence through diversity.

Preparation for Leadership.

We encourage all students to develop a breadth of leadership competencies, including self-awareness, empathy for cultural differences and effective interpersonal communication. Georgia College students become leaders through engagement with purposeful curricular and co-curricular leadership experiences.

-Approved by the Board of Regents October 2017

Strategic Directions 2016 – 2021

On Nov. 9, 2015, President Dorman charged the Strategic Planning Steering Committee and the chairs of the 13 subcommittees with the task of developing a strategic plan to position Georgia College for preeminence as a public liberal arts institution. Each strategic planning subcommittee was asked to address the question: What would have to happen to make Georgia College the preeminent public liberal arts institution in the future? An overarching projection of the scenario in 10 years (2025) was provided to the subcommittees, and the subcommittees were asked to consider this possible future while preparing a strategic plan to serve the university from 2016-2021.

As a result of the Strategic Planning Steering Committee's work, the following Goals and Initiatives were proposed:

Goal 1: Recruit, admit, enroll, retain and graduate highly-qualified and diverse undergraduate students.

Goal 2: Develop and implement distinctive and transformative undergraduate curricular and co-curricular experiences. Transformative experiences include but are not limited to: undergraduate research; creative projects; study abroad; service learning; community-based learning; leadership development; diversity and global learning; and field and clinical-based practica, apprenticeships, preceptorships and internships.

Goal 3: Offer a limited number of exceptional quality graduate programs that are highly relevant to workforce demand and supportive of the university mission.

Goal 4: Align resources through generation, redirection, prioritization, cost containment and stewardship to address strategic priorities.

Goal 5: Enhance a professional environment that encourages the recruitment, retention and success of an exemplary and diverse faculty and staff.

Goal 6: Strengthen community and regional ties through service, research, programs and partnerships that enhance economic, educational and cultural opportunities to improve the quality of life for citizens of Milledgeville/Baldwin County and the middle Georgia region.

1. The decrease due to weeding (purposeful de-selection of library materials to keep collection relevant).
2. GALILEO ebSCO ebook collections added for FY17.
3. The increase is due to FY16 acquisition of eBrary Academic Complete (e-book collection).
4. The decrease from last year is due to moratorium on GIL Express for USG library system migration.
5. The decrease is primarily attributed to a decline in the number of group-type sessions for the Freshman Seminar activity. During the 2015-2016 academic year, the activity was completed exclusively by students on an individual basis.
6. The decrease is in correlation with the decline in instruction sessions (as explained in the previous footnote).
7. The decrease from last year is due to sending 1st-generation iPads to surplus at suggestion of IT.
8. The decrease from last year is from loss of equipment due to age and/or damage from use.
9. The decrease from last year is due to loss of equipment due to age and/or damage from use.
10. The increase is due to addition of end-of-FY15 purchases of video cameras.

Athletics 2016-17 Points of Pride

- For the first time in program history, Bobcat Athletics was voted Peach Belt Conference (PBC) Sportsmanship Institution of the Year by the universities in the league.
- For the fourth-straight season, Bobcat Athletics raised over \$8,000 for the Make-A-Wish Foundation, the threshold to grant a wish through the organization. The Bobcats were among the top-five in all of NCAA Division II in funds raised for Make-A-Wish.
- GC Softball junior Hannah Coursey and GC Baseball senior Clayten Ayres earned Academic All-America status.
- Brandon Benson from Baseball was named Region and PBC Player of the Year and All-American. He was drafted in the 20th round by the St. Louis Cardinals.
- Georgia College had three winners of the PBC Elite -15 Award for top GPA at a sport's conference championship tournament: Macy Polk from women's tennis, Katie Ray from volleyball and Hannah Coursey from softball.
- Six of the school's 11 varsity sports advanced to NCAA Postseason action.
- The Bobcat Athletic teams posted a 3.25 GPA for the 2016-17 academic year, with nine of the teams coming in at a 3.0 or above.
- Georgia College Baseball won its third PBC Tournament Championship in the last five years.
- GC Cross Country's Katherine Yost became the first runner in school history to qualify for running at the NCAA Championship as an individual.
- Bobcat Tennis saw the women make the NCAA Regional for the 23rd straight season and the men qualify for the 11th straight year.
